

INDEX OF AUTHORS TO VOLUME IX.

- BRUNNER, G. On the Subjective Noises in the Ear. 56
- An Interesting Case of Protracted Deafness, caused by the Report of a Musket. With Remarks 333
- BURNETT, SWAN M. A Case of Primary External Inflammation of the Mastoid. 145
- Abstract of American Otolological Literature 102, 189, 277. 351
- An Abstract of the Otolological Papers read before the American Medical Association, held in New York, June 1-4, 1880 274
- DILLS, THOS. J. A Case of Rupture of the Drum-head from a Box on the Ear. Rapid and Complete Recovery 154
- ELY, EDWARD T. Skin-grafting in Chronic Suppuration of the Middle Ear. 343
- and D. B. ST. JOHN ROOSA. Clinical Contributions to Otology 16
- FRÄNKEL, EUGENE. Contributions to the Pathology and Pathological Anatomy of the Organ of Hearing 203
- I.—Otorrhœa of long standing; exacerbation by syringing; death.
- II.—Chronic otitis media; knock on the head; death.
- III.—Chronic otitis purulenta; facial paralysis; death.
- IV.—Otorrhœa from scarlatina; polypi; scraping out of mastoid process; proliferation of cauliflower excrescences; death.
- V.—Pebble in ear-canal; attempts at extraction; death from meningitis.
- GOTTSTEIN, J. On Ménière's Complex of Symptoms . . . 255
- GUYE, A. On Ménière's Disease 230
- HARTMANN, A. Proceedings of the Section of Otology at the Meeting of the German Association of Physicians and Naturalists at Baden-Baden, 1879 . 1
- Round-celled Sarcoma, Originating in the Tympanic Cavity 49
- Brief Remarks on the Affections of the Auditory Organ, occurring in Typhus Fever 53
- Report on the Pathology and Therapeutics of the Ear in the Second Half of 1879. 181, 279
- In the First Half of 1880. 380
- Deaf-mute Statistics of the Province of Pomerania and the District of Erfurt . . . 307
- HOTZ, F. C. The Indications for an Early Trepanation of the Mastoid Process in Acute Purulent Otitis Media with Implication of the Mastoid Cells 156
- Aural Complaints in Consequence of Malaria . . . 241

- A Case of Primary Post-aural Abscess without Implication of the Middle Ear . . . 250
- KNAPP, H. Some Observations Concerning the Value of the Audiphone 82
- On Heredito-Syphilitic Affections of the Ear . . . 146
- Perichondritis Auriculæ. 195
- Report of the Meeting of the American Otological Society, held at Newport, R. I., July, 21, 1880 269
- The Nitrate-of-Silver Treatment of Eczema of the Ear 346
- LÖWE, L. Report on Embryology and Comparative Anatomy of the Ear, in the year 1879 91, 176
- In the First Half of 1880 378
- MICHAEL, J. Otitis Media Purulenta with Necrosis of the Inner Wall of the Tympanum and of the Mastoid Process . . 222
- Chronic Purulent Inflammation of the Middle Ear, and Abscess of the Brain, Existing Independently of each other, . 226
- MOOS, S. Extirpation of the entire Malleus, together with a Polypus Springing from its Manubrium 28
- Surprisingly Increased Acuteness of Hearing for Low Tones, in a Case of Paralysis of the Right Facial Nerve . . 33
- A Case of Loss of Taste after Extirpation of a Polypus Springing from the Region of the Stapes 35
- On the Histological Alterations of the Labyrinth in Hemorrhagic Pachymeningitis (Hæmatoma Durae Matris) . . 105
- On the Diseases of the Ear in Locomotive Engineers and Firemen, which may Endanger the Travelling Public . 319
- and STEINBRÜGGE, H. A Peculiar Modification of the Osseous Tissue in the Pyramid of the Temporal Bone . . . 300
- POOLEY, T. R. A Contribution to the Pathology of the Organ of Hearing 37
- I.—Multiple Exostoses of the Skull. Thrombosis of Left Lateral, Inf. Petrosal and Cavernous Sinuses. Acute Catarrhal Pneumonia of Both Lungs.
- II.—Otitis Media Purulenta. Chronic Caries of Mastoid. Perforation. Purulent Meningitis.
- III.—Otitis Media Purulenta (Traumatic?) Extensive Caries of the Temporal Bone. Perforation of the Mastoid. Death. Autopsy.
- ROOSA, D. B. St. JOHN and EDWARD T. ELY. Clinical Contributions to Otology . . . 16
- CASE I.—Loss of Hearing from a Kiss.
- CASE II.—Alarming Syncope after clearing the Ear.
- CASE III.—Serious Syncope from Inflation of Middle Ears by Politzer's method.
- CASE IV.—Vertigo from Singing High Notes.
- CASE V.—Mastoid Abscess without Evidences of Disease of the External or Middle Ear.
- CASE VI.—Mental Depression from Impacted Wax.
- Mucus in the Tympanum.
- SPALDING, J. A. Diplacusis Binauralis. A Self-observation. 330
- STEINBRÜGGE, H. Cholesteatoma of the Right Temporal Bone, Perforating into the Region of the Semicircular Canals. Cerebral Abscess. Autopsy 21
- Report on the Normal and Pathological Anatomy of the Ear in the Second Half of 1879 168
- In the First Half of 1880. 353
- and MOOS, S. A Peculiar Modification of Osseous Tissue in the Pyramid of the Temporal Bone 300

- TREIBEL, EDMUND. On the Use of the Dentaphone with Deaf-Mutes 305
- TURNBULL, C. S. The New "Folding Dentaphone" . . . 80
- WOLF, OSCAR. Report on the Physiology of the Ear in the Second Half of 1879 . . 171, 290
- In the First Half of 1880. 366
- On the Function of the Chorda Tympani 293

INDEX OF SUBJECTS TO VOLUME IX.

- American Medical Association. Abstract of Otological Papers at New York Meeting, June, 1880. By S. M. Burnett . . 274
- American Otological Literature, Abstract of. By S. M. Burnett 102, 189, 277, 351
- American Otological Society, Report of the Newport Meeting of, in July, 1880. By H. Knapp 269
- Anatomy, Report on Normal and Pathological. By H. Steinbrügge 168, 353
- Audiphone, Observations concerning the Value of the. By H. Knapp 82
- Cholesteatoma of Temporal Bone. Autopsy. By H. Steinbrügge . . 21
- Chorda Tympani, On the Function of the. By O. Wolf . . 294
- Clinical Contributions to Otology. By D. B. St. John Roosa and Edward T. Ely. (See index of authors.) 16
- Deaf-mute Statistics in Pomerania and Erfurt. By A. Hartmann 307
- Deafness, Protracted, from the Report of a Musket. By G. Brunner 333
- Dentaphone, The new Folding. By C. T. Turnbull 80
- The Use of the, in Deaf-mutes. By E. Treibel . . . 305
- Diplacusis Binauralis. A Self-observation. By J. A. Spalding 330
- Drum-head, Case of Rupture of, from Box on Ear. By T. J. Dills 154
- Eczema of the Ear, the Nitrate-of-Silver Treatment of. By H. Knapp 346
- Embryology and Comparative Anatomy, Report on. By L. Löwe 91, 176, 378
- Labyrinth, Histological Alterations of, in Hemorrhagic Pachymeningitis. By S. Moos . . . 105
- Locomotive Engineers and Firemen, Ear Disease in. By S. Moos 319
- Low Tones, Increased Acuteness of Hearing for, in Facial Paralysis. By S. Moos . . . 33
- Malaria, Aural Complaints in Consequence of. By F. C. Hotz 241
- Malleus, Extirpation of the Entire, Together with Polypus Springing from its Manubrium. By S. Moos 28
- Mastoid, Case of Primary External Inflammation of. By S. M. Burnett 145
- The Indications for an Early Opening of the, Process in Acute Otitis Media. By F. C. Hotz 156

- Ménière's Disease. By A. Guye 230
- Complex of Symptoms.
By J. Gottstein 255
- Noises, Subjective, in the Ear.
By G. Brunner 56
- Osseous Tissue, Modification of,
in Temporal Bone. By S. Moos
and H. Steinbrügge 300
- Otitis Media Purulenta, with Ne-
crosis of Inner Wall of Tym-
panum and Mastoid Process.
By J. Michael 222
- Chronica, and Abscess of
the Brain, Existing Independ-
ently of each other. By J.
Michael 226
- Pathology and Pathological
Anatomy, A Contribution to.
By T. R. Pooley. (See index
of authors.) 37
- By E. Fränkel. (See in-
dex of authors.) 203
- Pathology and Therapeutics, Re-
port on. By A. Hartmann .
181, 279, 380
- Perichondritis Auriculæ. By H.
Knapp 195
- Physiology and Physiological
Acoustics, Report on. By O.
Wolf 171, 290, 366
- Post-aural Abscess, A Case of Pri-
mary, without Implication of
the Middle Ear. By F. C.
Hotz 250
- Sarcoma, Round-celled, Orig-
inating in Tympanic Cavity. By
A. Hartmann 49
- Skin-grafting in Chronic Inflam-
mation of the Middle Ear. By
E. T. Ely 343
- Syphilitic, Heredito-, Affections
of the Ear. By H. Knapp . 146
- Taste, Loss of, after Extirpation
of a Polypus. By S. Moos . 35
- Typhus Fever, Aural Affection
in. By A. Hartmann . . . 53
